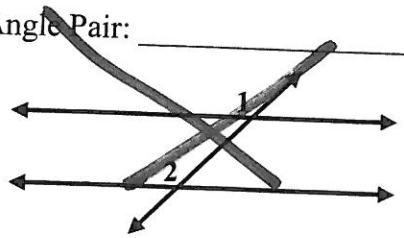
Lesson 1.2 ~ Corresponding and Same-Side Interior Angles

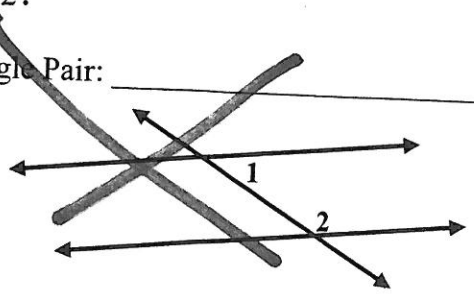
Name _____ Period _____ Date _____

Name the special angle relationship between ∠1 and ∠2.

1. Angle Pair: _____

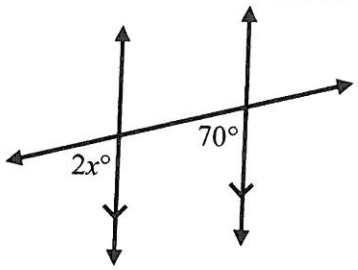


2. Angle Pair: _____

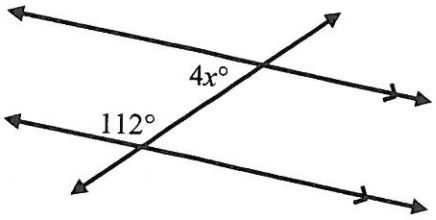


~~Name the special angle pair relationship.~~ **Solve for *x*.**

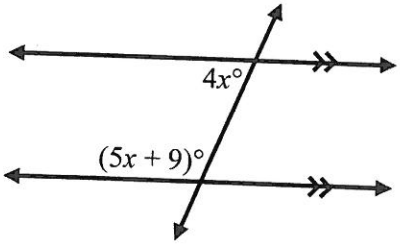
3. Angle Pair: _____



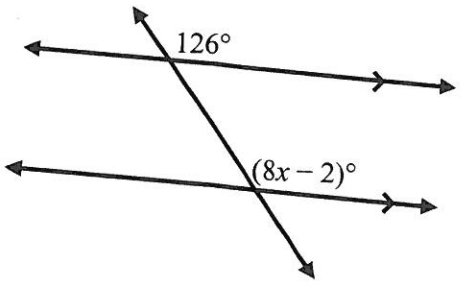
4. Angle Pair: _____



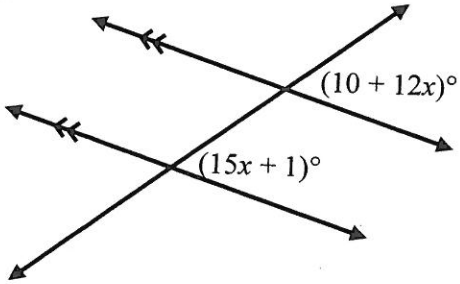
5. Angle Pair: _____



6. Angle Pair: _____



7. Solve for *x*. Then find the measure of each identified angle.



Name_____

Angles in a Triangle

Date_____ Period____

Find the measure of each angle indicated.
